OUR PASSION

SHEETECH SA SOCIAL CORPORATE INVESTMENT PROJECT

Sheetech SA was accredited on the 2nd May 2007 by Merseta to conduct training in the fields of Welding Application & Practice and Engineering Fabrication NQF Level 2 - 4 as well as NQF level 1 and CNC Machining.

In 2008 we undertook a Merseta Skills Programme Training with eight learners from the V.N. Naik School for the deaf. We were thereafter invited by Merseta to be the Guest of Honour at a Merseta function.

In 2010, Sheetech had the privilege of being awarded the tender to facilitate the training of 50 learners under the Merseta PWD Project which began in March 2010 and ended in March 2011. Thereafter these 50 learners were a three month employment contract with their respective lead employers. Upon completion of this contract the learners will then progressed to the next level of training which started mid July 2011.

Currently the learners are registered on NQF Level 1 and Engineering Fabrication (Boiler making) NQF Level 2 and NQF Level 3. The current learners will complete their learner-ship in July 2012. The Education and training division has developed a strong relationship with the deaf community particularly with:

SSS SHEETMETAL WORKS cc. T/A SHEETECH SA

Durban School for the hearing impaired; V.N. Naik School for the Deaf and M.C. Kharbhai School for deaf which is in Gauteng. We are constantly on the look out for business partners to help empower the deaf community.

We strive to educate the **able bodied** and **people with disabilities** to empower themselves to make a better tomorrow for themselves.

1. COMPANY POLICY STATEMENT

SHEETECH SA cc. has benchmarked a share in the market place and management and staff within the organisation is committed to providing customer satisfaction through:

- QUALITY GUARANTEED PRODUCTS.
- TIMEOUS DELIVERY OF PRODUCTS
- FULL AFTERSALES BACK-UP.

Sheetech has strived to remain at the forefront of technological advancements in the industry to achieve our company goals and objectives by providing our customers with competitive, quality solutions.

2. A BRIEF HISTORY

Sheetech SA was founded in 1996 by current members A. ALARAJU and D. CHETTY with a staff of three and three machines. In 1998 due to growth and the need for expansion Sheetech moved to the current location with a staff of 12. Since 1998 the company has continued to grow in terms of staff, assets, and turnover. Sheetech SA can now offer a wide range of metal fabrication solutions and metal pressing solutions hence offering customers a one stop solution to their needs.

3. PRODUCTION CAPABILITIES

3.1 PRODUCTION AREA

SSS SHEETMETAL WORKS cc. T/A SHEETECH SA

Page: 5 of 15

Revision: 11

Date: 18/01/2018

The production area comprises of two separate buildings dedicated purposefully for fabrication:

17 Downie Crescent, Queensmead Industrial Area

- Sheet Metal Fabrication: A total area of 1396 square meters.
- Assembly Area: A total of 450 square meters.
- Administration and Programming: A total area of 250 square meters.
- Sheetch SA – Education and Training Division Training Workshop Facility and classroom.

19 Downie Crescent, Queensmead Industrial Area

- The ever-increasing scope and upgrade of the company called for more production space. In keeping with the development of the company we acquired the premises to facilitate the new projects.
- Production and Assembly Area: A total area of 2975 square meters. We began production in Mid April 2012.

3.2 HUMAN RESOURCES

Sheetech S.A currently employs a staff of 60 people with and additional compliment of 5 temporary staff. The staff is built around a management core with over 130 years experience between them. Further there is an assembly of skilled, competent senior staff who has worked together as a team for over 15 years at various previous companies.

Due to the experience and continuous training of our staff at Sheetch, we boast a multi-skilled workforce with a large number being able to perform any operation in fabricating sheet metal.

We currently operate a single shift 40 hour week, with the capability to operate a nightshift should it be required. This provides Sheetch SA with the capabilities to meet customer's delivery needs timeously.

3.3 MACHINERY and EQUIPEMENT

Sheetech SA has two premises in Queensmead Industrial Area which are used as:

Fabrication Shop:

- 2 Laser Cutting Machines
- 3 Guillotine Cutting Machines
- 4 CNC Punching Machines
- 15 CNC/Brake Press Bending Machines
- Welding (CO², Argon, Spot, Arc)
- Fettling Station
- Deburring Machine

The material gauges which can be cut, punched or laser cut range from 0.5mm to 10mm on mild steel and up to 6mm for stainless steel. The bending machines range from 60 to 400 tons. Material with a thickness of up to 10mm and length of up to 5 meters can be bent.

Press-shop:

Sheetech SA has 22 Press machines with capacity of between 10 tons and 100 tons. The multi-functional capability of our presses allows a large number of operations to be performed, hence enhancing Sheetech's capability to provide a wide variety of press work solutions.

Education and Training Division:

We are a Merseta Accredited (Accreditation No: 17-ACC/0137/07) Training provider in the fields of Engineering fabrication, Welding application and practice, CNC Production Machining, Metal and Engineering Manufacturing Processes. We have been a registered training provider for over five years.

4. QUALITY ASSURANCE

In order to achieve our goal of quality products Sheetch has implemented a quality management system based on international standards **ISO 9001:2008**. The system was implemented on the 12th July 2001. In keeping with our commitment to continuous improvement at Sheetch SA we have a dedicated Quality Assurance department that strives to use a factual approach to decision making (attached is a copy of our current SABS certificate).

5. B-BBEE STATUS

Sheetch SA as over the years being an accredited BBEE company and has achieved a Level 1 AAA BBEE rating (attached is a copy of our current BBEE Certificate).

6. VISION AND FOCUS

Sheetech SA will position itself at the forefront of the Sheet metal Fabrication Industry.

Sheetech focuses on custom built electrical panels, consoles and fittings. The press-shop accommodates the expanding area of automotive presswork of which we are major suppliers. The new premises will accommodate for the building of the train bodies and electrical panels.

In keeping with our vision of establishing Sheetech SA as a major supplier of sheet metal products in KZN, greater RSA and internationally we are continuously improving all aspects of production capability and quality.

7. SAMPLE LIST OF PRESENT CUSTOMERS:

- SOUTH AFRICAN BREWERIES
- MERLIN GERIN
- AUTOMOTIVE CONTROL SYSTEMS
- AUTOTRONIX
- ABB SOUTH AFRICA
- HONEYWELL
- OMNIFLEX
- CI SHURLOK
- DAIMLER CHRYSLER
- SMITHS MANUFACTURING
- VISUALWORKS
- SIEMENS SOUTH AFRICA
- IMPROCHEM
- DIGICORE ELECTRONICS

SHEETECH SA ALSO HAS A CLIENTELE OF OVER A 100 CUSTOMERS.
